Finding Rental Housing

Call the property:

- Do not call before 9 am or after 8 pm.

- Look at the actual apartment you will be renting.

Applying for housing:

- Do not pay a security deposit without an agreement in writing.
- The landlord must tell you what tenant-screening company they use. Write down the name.
- Read the lease in full.

The dwelling units listed as Lead-Safe have undergone lead-based paint hazard reduction with assistance from a US Housing and Urban Development Agency (HUD)-funded Lead Hazard Control Program. Each unit was inspected and deemed to be lead-safe as of the date listed in the database under "Lead Inspection Passed." Because lead-based paint is rarely completely abated, or completely removed, it is likely that lead-based paint still exists in the unit and could deteriorate in the future to create new lead-based paint hazards. Therefore, HousingLink, HUD, and Hennepin County and its sub-grantees do not make any representation about the condition of the unit or the presence of lead-based paint hazards after the lead inspection passed date listed.
