The Senior Housing Program provides affordable rental housing to Dakota County's growing and active senior population. Serving adults age 62 and older the CDA’s developments offer residents amenities including community rooms and screened porches to enjoy spaces outside their apartment and interact with other residents. All buildings are smoke-free.

Rents are either based on income or flat rents (depending on the building). Some buildings also have Premium units that have flat rents. Rent based on income buildings have rents from $438 - $758 for a one-bedroom and $649 - $994 for a two-bedroom. Flat rent buildings are $665 for a one-bedroom and $816 for a two-bedroom. Premium two-bedroom units rent for $1,030 a month.
