Applications will be accepted **online only**. Please see the back of this flyer for additional online application information.

The Dakota County CDA is accepting applications for the Project Based Voucher waiting list.

About the Program

Project Based Voucher participants pay 30% of their monthly adjusted income toward rent and the program pays the difference between the household's portion and the total rent due each month for the unit. The rent assistance is connected to housing units (two- to four-bedrooms) located in Dakota County.

Household composition will be reviewed to determine eligibility for the waiting list. Bedroom size is based on household composition per program policies.

Income Limits

Applicants must have an annual gross income that is below the income limit for their household size.
